"...the term "Thanksgiving" conjures up images of turkey and cranberry sauce, parades and bowl games. These "traditions" have come to mark an event made a perpetual institution of American life by President Abraham Lincoln. But why did Lincoln proclaim the last Thursday in November as a national holiday? Because it was clear to him that the blessings of food, land, family, and freedom enjoyed by Americans are all gifts from the Creator. But Americans, he realized, had forgotten this. A special day was needed for us to forget our differences and remember our blessings. And remembering naturally leads to giving thanks to the Source of those blessings."
